PETITION TO ACCEPT UNINTENTIONALLY DELAYED CLAIM  
FOR PRIORITY UNDER 37 C.F.R. 1.55(c)

Mail Stop Petition  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

Based on a review of the image file wrapper (IWF) maintained by the U.S. Patent Office, it appears that a proper claim for foreign priority may not have been timely filed in the above-identified application and the undersigned hereby petitions the United States Patent and Trademark Office to accept the unintentionally delayed claim for priority, if necessary.

The undersigned is newly-designated counsel in this application and is in the process of reviewing all prosecution handled by the prior counsel of record. In reviewing the IWF, it appears that the first claim to priority of Australian patent application number AU2001PR0007086 (the "Australian application") was unintentionally delayed until July 30, 2004, approximately 5 months after the filing date of the present application (filed Feb. 27, 2004). Due to the unintentional delay, the claim for foreign priority missed the four (4) month deadline required under 37 C.F.R. 1.55(a) by approximately one month.

The entire delay between the date the claim was due under 37 C.F.R. 1.55 paragraph (a)(1) and the date the claim was filed was entirely unintentional on the part of the Applicant. Applicant's intent to claim priority to the Australian application is evidenced by the reference in the parent PCT application (PCT/AU02/01105) to the Australian application. This reference is perhaps enough, by itself, to have timely invoked the claim to priority to the Australian application in the present application. But if not, Applicant hereby petitions for entry of the unintentionally delayed claim. Pursuant to 37 C.F.R. 1.55 paragraph (c)(1), the claim to the prior foreign application is not submitted herewith, as it was previously submitted on July 30, 2004 and subsequently acknowledged by the USPTO.

If necessary, please charge our Deposit Account No. 18-0013 in the amount of \$1,370.00 covering the fee set forth in 37 CFR 1.17(t). The Director is hereby authorized to charge any deficiency in the fees filed, asserted to be filed or which should have been filed herewith (or with any paper hereafter filed in this application by this firm) to our Deposit Account No. 18-0013, under Order No. 40302-0013. A duplicate copy of this paper is enclosed.

Respectfully submitted,
